

Medi-Sheen™ Polish Powder

STAIN REMOVER / POLISH FOR MANUAL APPLICATIONS

Product Features

Tough on stains, gentle on instruments - Medi-Sheen is a powerful stain remover/polish coupled with corrosion inhibitors to recondition and provide lasting protection to stainless steel instruments. Also excellent for chrome, nickel, brass, copper and silver surfaces.

Non-Abrasive - safely removes stains and tarnishes without harming instrument surface.

Powdered polish/cleaner - restores stainless steel instruments to "like new" condition.

Directions for Use

For all applications:

- Apply with damp cloth and gently polish until stain and tarnish deposits are removed.
- Rinse completely with water.
- Proceed with cleaning instruments according to normal protocol prior to sterilization.

Technical Data

pH: (1% w/w) 3.2
 Specific Gravity: N/A

Order Information

CST-802P-8oz - 6 x 8 oz jars per case.
